

Meeting Your Needs

Our dedicated parts and service team is committed to Total Customer Care for any public school, private school, preschool or operator providing transportation to students or clients.

Other Services

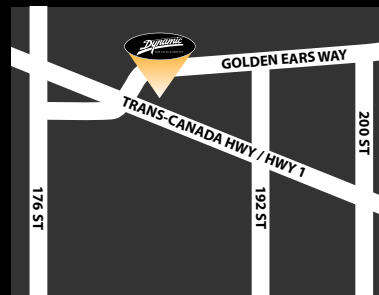

We are a one-stop source for professional, dependable service. We maintain an inventory of more than 5,000 different parts to ensure that the one you need is ready when you need it. We also offer these other services:

- Wheelchair accessible packages 
- Specialized lift & ramp servicing
- Insurance claims
- Body & paint repairs
- Air conditioning
- Warranty assistance
- Electrical & diagnostics

Contact us today so we can help you keep your vehicle running at peak performance.

THE RIGHT PEOPLE. THE RIGHT PROGRAM.

School Bus Service & Maintenance Programs

Optimize your school bus safety, performance & longevity

Worry-free Ownership

Dynamic Specialty Vehicles Ltd. takes the worry out of school bus ownership keeping your vehicle safe, reliable and on the road for years to come.

A Trusted Partner

Dynamic Specialty Vehicles Ltd. is pleased to be the sole distributor of Blue Bird and Micro Bird Buses for British Columbia, the Yukon and Northern Alberta.

The services we provide are required on your school bus to ensure that new vehicle warranties remain valid and existing school buses remain as "new" as possible. Although these services are available through alternate sources, our programs are designed to eliminate the inconvenience associated with taking your school bus to multiple shops for all the different services it requires.
