

Branch Manager – Saskatoon, SK

Dynamic Specialty Vehicles is seeking an **experienced Branch Manager** to lead our Saskatoon operation. Reporting to the Vice President Sales, we're looking for a proven automotive or commercial vehicle dealership leader who knows how to build a high-performing team, assist in driving sales, manage operations, develop people, and grow a profitable business.

Join us and be part of a great team that fosters trust and collaboration. We offer competitive salary, comprehensive benefits package, pension plan, and an excellent work environment.

Responsibilities and Duties

As Branch Manager, you will have overall responsibility for the performance and growth of the Saskatoon dealership, including:

- Dynamics Core Values – Respects Customer, Suppliers and Employees alike
- Leading the dealership team and establishing a high-performance culture
- Developing and executing sales and business-growth strategies
- Managing dealership operations, service, profitability, and financial performance
- Recruiting, developing, coaching, and retaining top talent
- Building relationships with key customers, commercial accounts, and community organizations
- Managing manufacturer and supplier relationships
- Overseeing inventory, sales, customer experience, and operational efficiency
- Establishing measurable goals and holding the team accountable for results
- Identifying new markets, opportunities, and ways to grow the business
- Representing Dynamic Specialty Vehicles professionally within the Saskatchewan market

Education, Experience, and Requirements

- Customer Service Focused
- Significant experience in automotive, commercial vehicle, truck, bus, equipment, or related dealership operations
- Strong understanding of dealership vehicle sales, parts sales, gross profit, expenses, inventory, and financial performance
- Demonstrated leadership and team-building experience
- A track record of growing sales and developing new business
- Strong negotiation, communication, and relationship-building skills
- An entrepreneurial mindset and willingness to be hands-on
- The ability to set direction while also getting into the details when required
- High personal accountability, integrity, and professionalism

Experience with buses, commercial vehicles, fleet sales, or specialty vehicles is an asset.

WHY DYNAMIC SPECIALTY VEHICLES?

At Dynamic Specialty Vehicles, you'll have the opportunity to lead a specialized dealership business with significant room to grow.

THE RIGHT PEOPLE. THE RIGHT BUS.

You'll work with customers and organizations that rely on specialty transportation solutions — while leading a team where your experience, ideas, and leadership can have a direct impact on the business.

We're looking for someone who doesn't simply want to manage a dealership.

We're looking for someone who wants to build one.
